Lenten Organ Recitals 2024

at Chesham United Reformed Church

Worship started on this site 300 years ago!!! This series of organ recitals is one of the many events we are planning to hold in celebration.

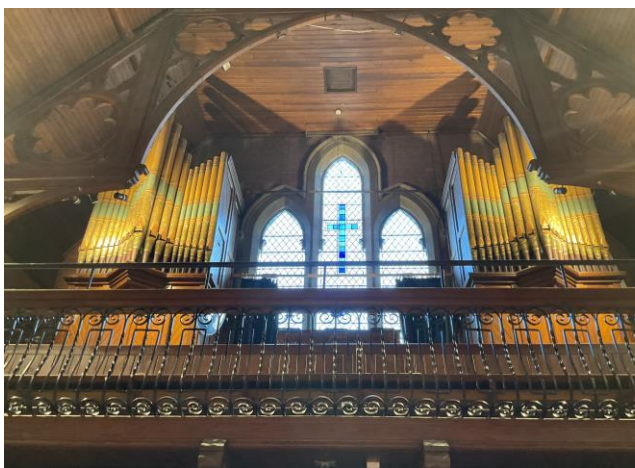

The organ recital series is every Friday lunchtime during Lent. Each recital starts at 12.30pm for a duration of approximately 25 minutes.

The following are the dates of the recitals together with the name of the organist:

16th February – Cathie Orton
23rd February – Frances Atkinson
1st March – Gerard Anderson
8th March – Andrew Winton
15th March – George Orme
22nd March – Peter Stone

All are welcome and admission to the recitals is free but donations will be gratefully received. This is followed by an optional light lunch in our hall behind the Sanctuary with a suggested donation of £4.

[Donations will be split between Chesham URC and Nordoff Robbins Music Therapy Centre]

Our organ has been awarded a certificate Grade 1 in recognition of it being an outstanding example of a pneumatic pipe instrument made by Forster & Andrews in 1886

The recitals are organised by Buckinghamshire Organists' Association and Chesham URC.
